The Administration is authorized to procure financial assistance from reputable sources of funds as a supplement to the district funds to support projects and programs that are consistent with the district mission and goals. Topeka Public Schools (TPS) may receive financial assistance from a donor/grantor agency through the following types of agreements:

- A. Grant: A financial assistance award given to TPS to carry out its programmatic purpose.**
- B. Cooperative Agreement: A legal agreement where TPS implements a program with the direct involvement of the funder.**

Throughout these policies, federal, state or local assistance received in any of these forms will be referred to as a “grant.”

All grants or cooperative agreements must be approved by the Board of Education.
