

POLICY 4085

MAINTAINING PROFESSIONAL STAFF/STUDENT BOUNDARIES

Staff members shall maintain professional relationships with students, which are conducive to an effective educational environment. Staff members shall not have any interaction of a romantic or sexual nature with any student at any time regardless of the student's age or status.

The superintendent shall develop regulations to implement this policy. Such regulations shall contain a requirement that all staff receive training on maintaining professional staff/student boundaries at orientation and through other means.
